

2017-2018 Pathways Four-Year Plan

Aviation Management (BS)

Department of Business and Economics
 School of Business and Information System
 Room AC-2B06 | (718) 262-2502

The following is a **suggested** plan of study for completion of this degree program. The goal of a Four-Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- All students should speak with an academic advisor about their academic programs. **This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.
